

Genesis Tutorial

1. Registration

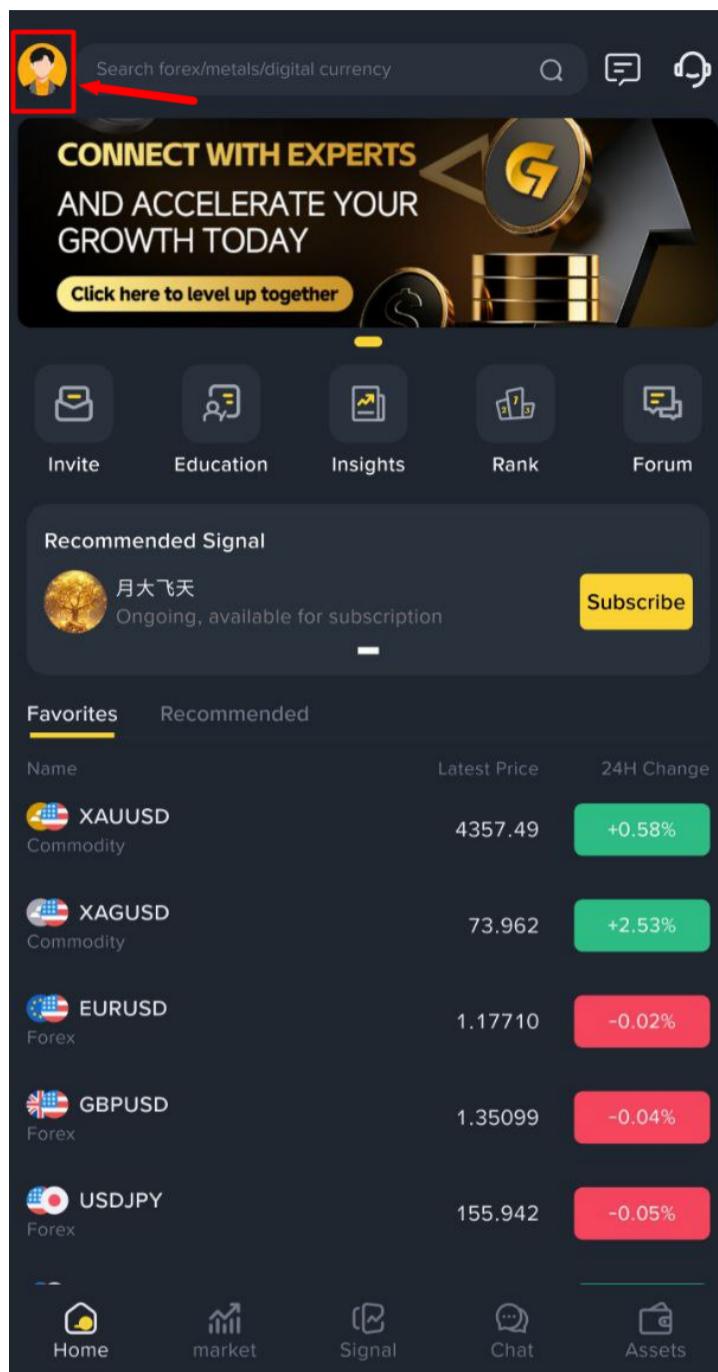

If you are a new user, press sign up to continue

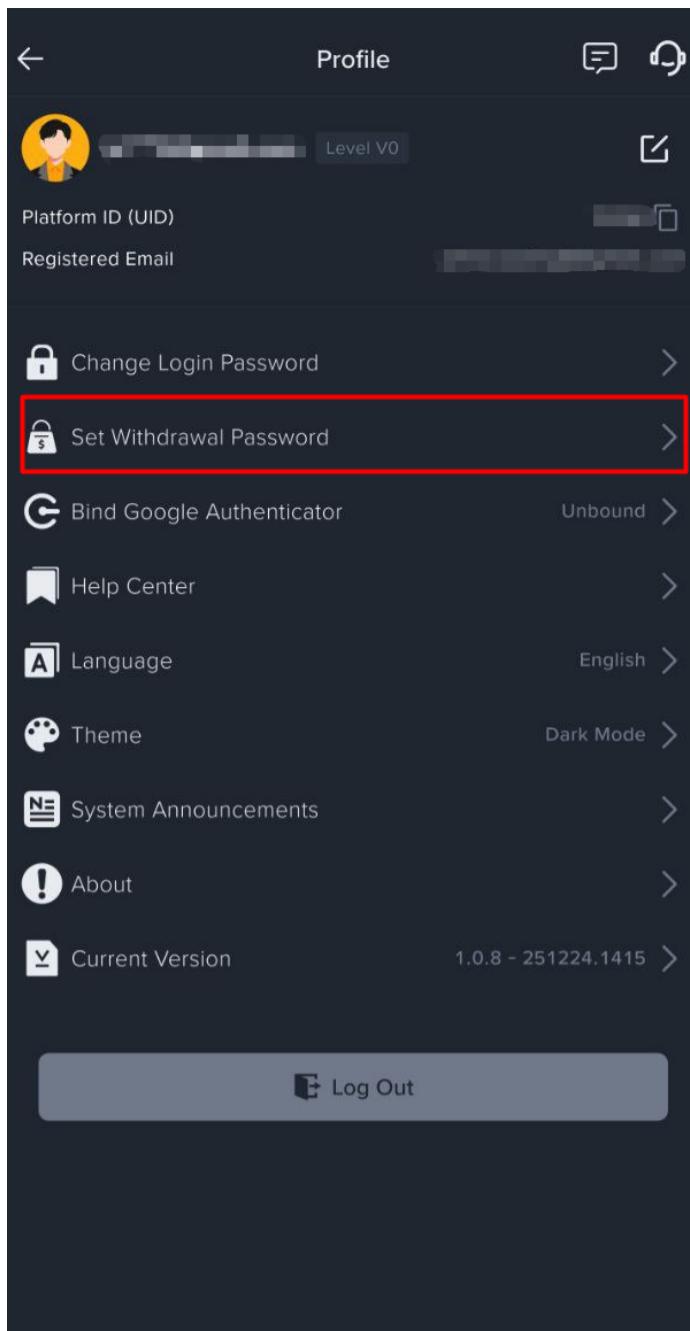

1. Enter your email. This will be used as your login username
2. Press "Get Code" to receive a confirmation OTP
3. Enter the six digit OTP that you receive in your email
4. Enter your login password. This is used when you want to login to your account
5. Enter the referral code, if available. If you have registered using an invitation link or QR code, it will be filled in automatically for you
6. Check the box after reading the terms and conditions and privacy policy to continue signing up
7. After you sign up successfully, you will be brought back to the sign in page, where you can login to your account

2. Securing Your Account

1. Withdrawal Password

After you login, press the user icon on the top left

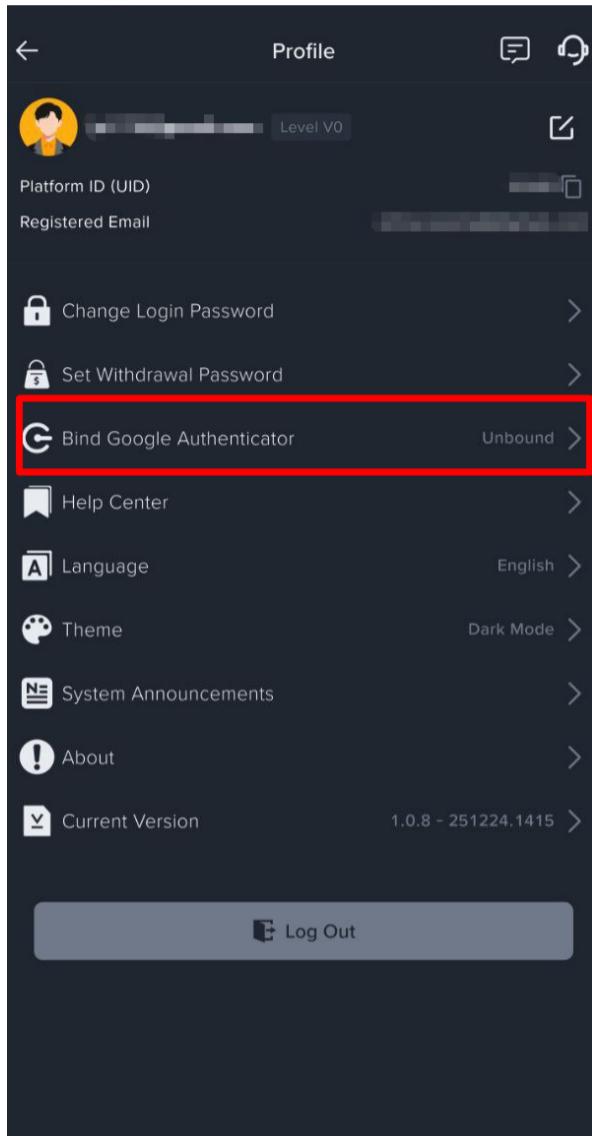

You will need to set up your withdrawal password. This is used for your Genesis wallet withdrawals.

A screenshot of the "Set Withdrawal Password" form. It has a back arrow and the title "Set Withdrawal Password".

1. Email Address input field (blurred).
2. Verification Code input field (blurred).
3. "Get Code" button (highlighted with a red box).
4. Password input field with placeholder "Please enter your password" (blurred).
5. Confirm Password input field with placeholder "Please enter your password" (blurred).

1. Your email address will be filled in by default for you
2. Press "Get Code" to receive an OTP
3. Fill in the 6 digit OTP that you received in your registration Email
4. Set your withdrawal password. This is different from your login password, and will be used when you wish to withdraw funds or bonuses from your Genesis wallet
5. Press confirm to finish setting up your withdrawal password

2. Google Authenticator

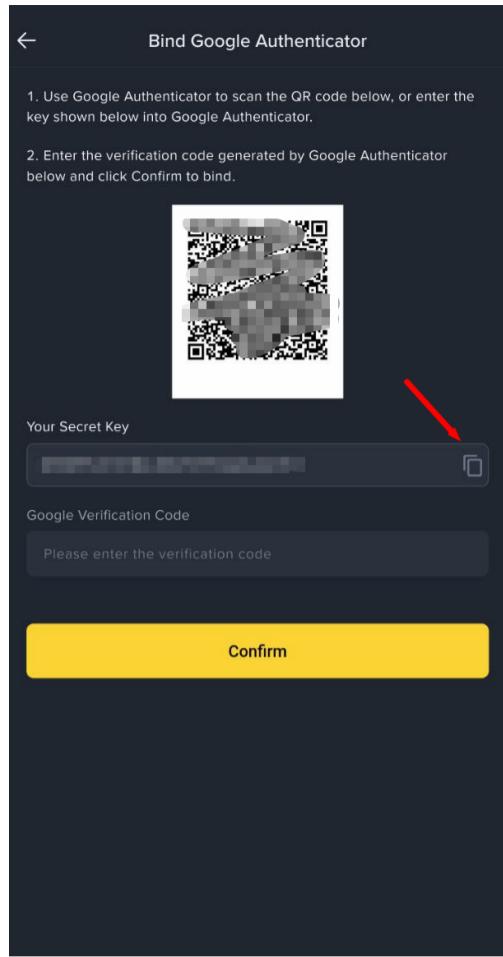

Press here to bind your Google Authenticator. If you don't have the app already, you will need to download it first:

Android Play Store

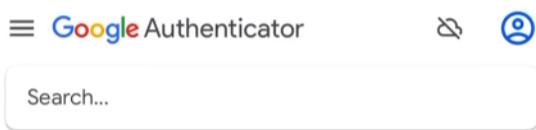

<https://play.google.com/store/apps/details?id=com.google.android.apps.authenticator2&hl=en&pli=1>

Apple App Store

<https://apps.apple.com/us/app/google-authenticator/id388497605>

Press here to copy your Secret Key

Looks like there aren't any Google Authenticator codes here yet.

Sign in

Go to your Google Authenticator, press add a code, press the + sign icon to add your key, if you already have existing codes

...

Set up your first account

Use the QR code or setup key in your 2FA settings (by Google or third-party service). If you're having trouble, go to g.co/2sv

Scan a QR code

Enter a setup key

Select enter a setup key

← Enter code details

Code name 1

Your key 2

Type of key 3
Time based

Add 3

1. Enter the code name, such as "GENESIS" so you can easily identify the code when you want to obtain your 2fa key.
2. Enter the secret key that you copied from the Genesis App
3. Press add to complete adding your Genesis 2FA key

Your Genesis 2FA key should now appear on your google authenticator homepage, and you can use the 2fa code when needed

3. Linking your MT5 Account

The screenshot shows a mobile application for managing financial assets and tracking market signals. At the top, there's a search bar with placeholder text "Search forex/metals/digital currency". To the right of the search bar are three icons: a magnifying glass, a speech bubble, and a user profile icon.

A prominent banner at the top reads "CONNECT WITH EXPERTS AND ACCELERATE YOUR GROWTH TODAY" with a "G" logo and a "Click here to level up together" button.

Below the banner are five navigation icons: "Invite", "Education", "Insights", "Rank", and "Forum".

The main content area features a "Recommended Signal" section with a gold coin icon, the text "月大飞天 Ongoing, available for subscription", and a yellow "Subscribe" button.

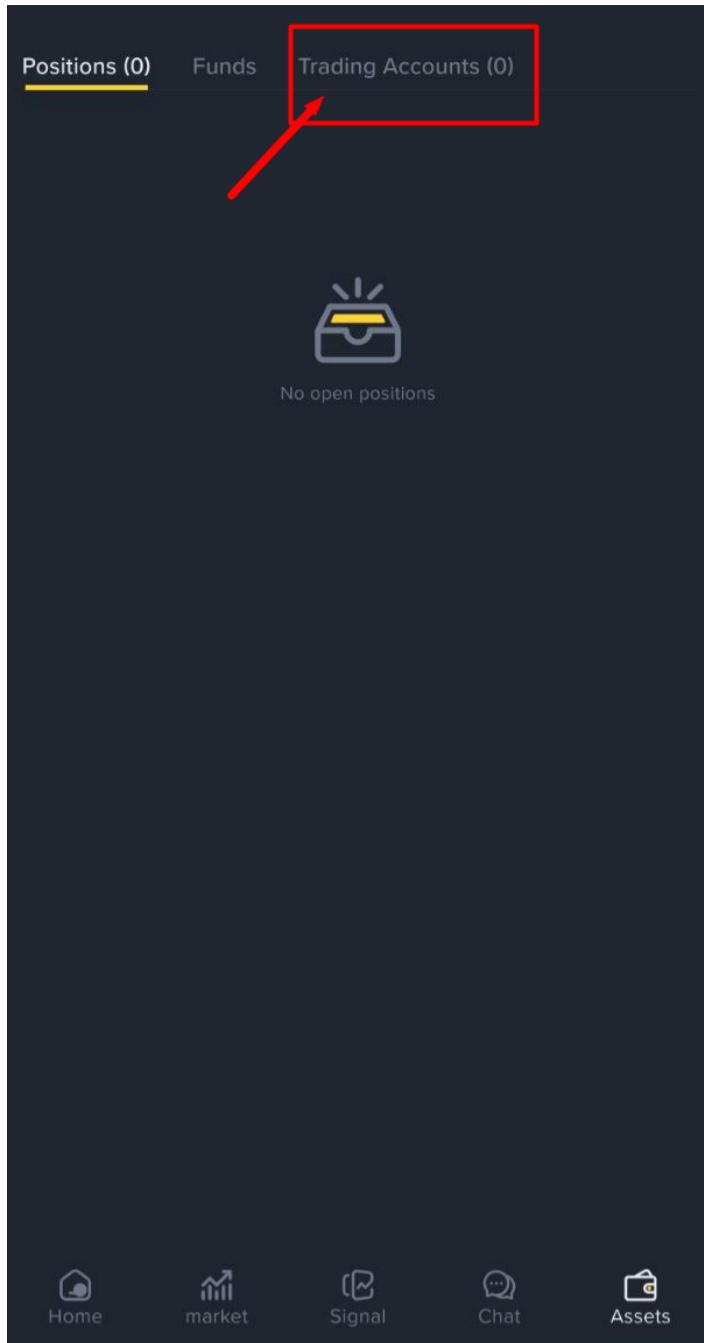

Below this is a tab bar with "Favorites" (selected) and "Recommended".

The main table displays market data for four assets:

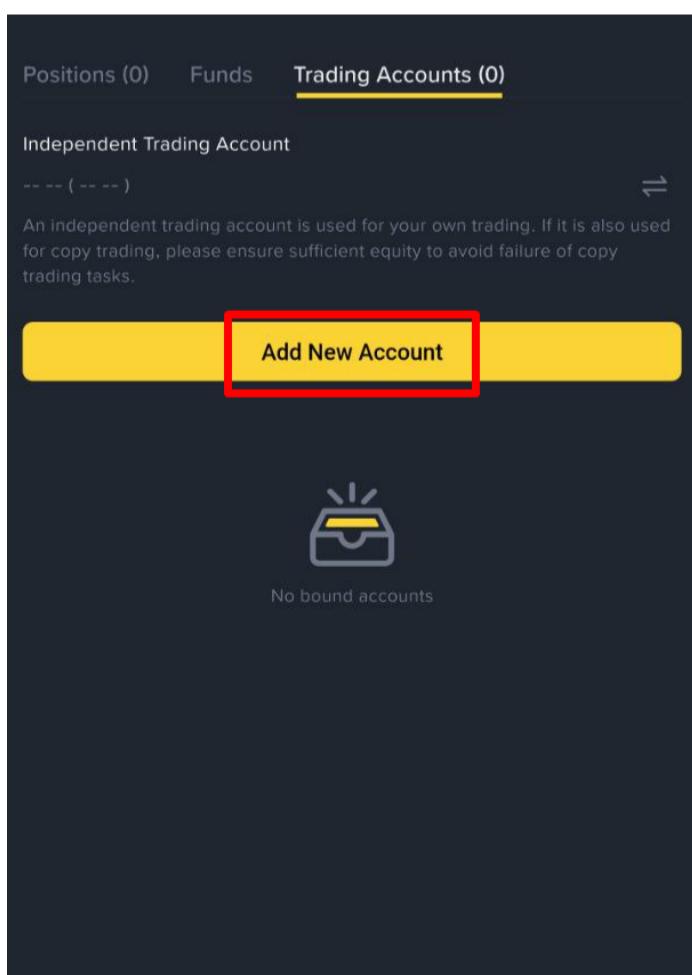

Name	Latest Price	24H Change
XAUUSD Commodity	4357.49	+0.58%
XAGUSD Commodity	73.962	+2.53%
EURUSD Forex	1.17710	-0.02%
GBPUSD Forex	1.35099	-0.04%
USDJPY Forex	155.942	-0.05%

At the bottom of the screen, there's a navigation bar with five items: "Home", "market", "Signal", "Chat", and "Assets". The "Assets" icon is highlighted with a red box and a red arrow pointing to it from the left.

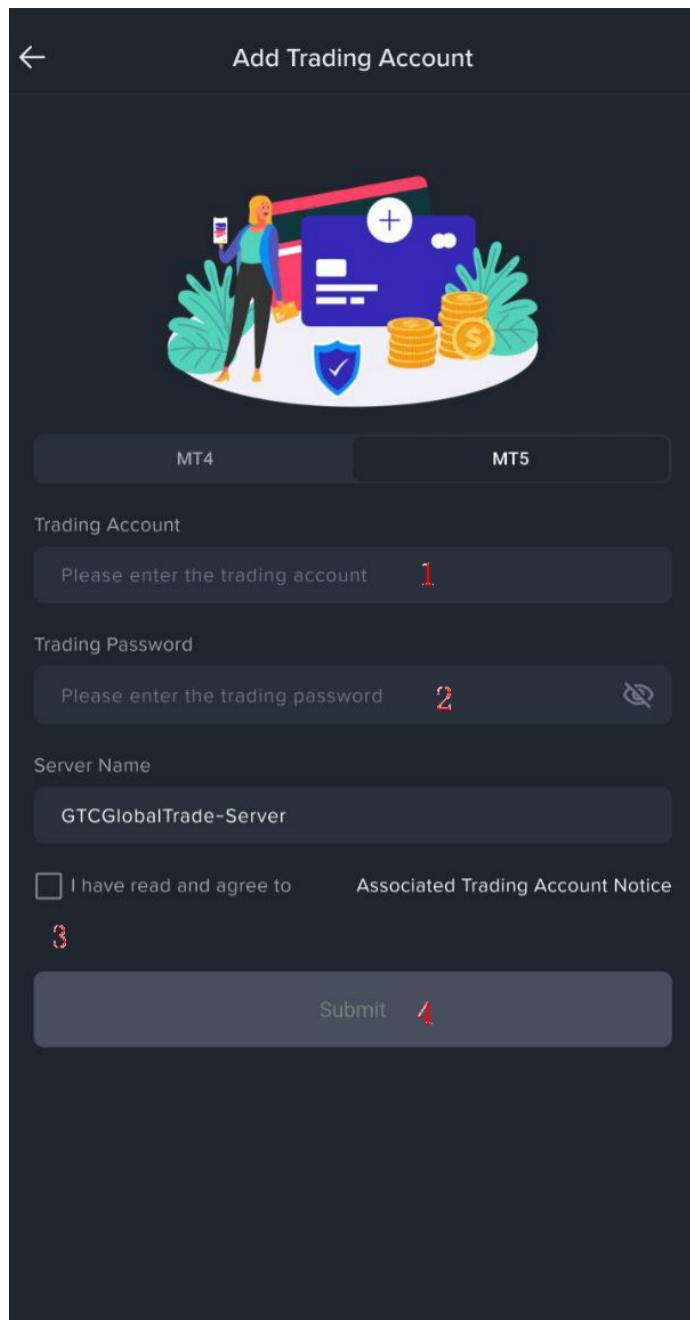

Press assets

Press Trading Accounts

Press Add New Account

1. Enter your trading account ID which you use to login to MT5. This is provided by the broker when you create a new trading account.
2. Enter your trading account password for your MT5 login account
3. Check the box
4. Press submit to bind your MT5 trading account to Genesis

4. Setting Up your Genesis Wallet

The image shows a smartphone screen displaying a mobile application for financial trading. At the top, there is a search bar with the placeholder text "Search forex/metals/digital currency". To the right of the search bar are icons for a magnifying glass, a message bubble, and a user profile. Below the search bar, a large promotional banner reads "CONNECT WITH EXPERTS AND ACCELERATE YOUR GROWTH TODAY" with a call-to-action button "Click here to level up together". The banner features a gold coin icon and a large upward-pointing arrow.

Below the banner are five navigation icons with labels: "Invite" (envelope), "Education" (person with a lightbulb), "Insights" (chart), "Rank" (trophy), and "Forum" (speech bubble). The "Favorites" tab is currently selected, indicated by a yellow underline. The "Recommended" tab is also visible.

A section titled "Recommended Signal" displays a signal named "月大飞天" (Monthly Big Flight) which is "Ongoing, available for subscription". A "Subscribe" button is located to the right of this section.

The main content area shows a list of favorite assets with columns for Name, Latest Price, and 24H Change. Each asset entry includes a small flag icon, the asset name, its category (e.g., Commodity or Forex), its latest price, and a color-coded change indicator. A red arrow points from the bottom right towards the "Assets" tab at the bottom right of the screen.

Name	Latest Price	24H Change
XAUUSD Commodity	4357.49	+0.58%
XAGUSD Commodity	73.962	+2.53%
EURUSD Forex	1.17710	-0.02%
GBPUSD Forex	1.35099	-0.04%
USDJPY Forex	155.942	-0.05%

At the bottom of the screen are five navigation tabs: "Home" (home icon), "market" (chart icon), "Signal" (signal icon), "Chat" (chat icon), and "Assets" (assets icon, which is highlighted with a red box).

Press Assets

The screenshot shows a mobile application interface for managing funds. At the top, there are three main sections: 'Positions (0)', 'Funds' (which is highlighted with a red box and has a yellow underline), and 'Trading Accounts (0)'. Below these, 'Total Funds' is listed as '\$ 1' with a red '1' next to it. A 'Deposit' button is highlighted with a red box and the number '2'. Other buttons include 'Withdraw' and 'Transfer'. Below the buttons, there's a section for 'GEE' with a green progress bar. The main content area lists several categories with green progress bars: 'Pending Settlement Funds', 'Insurance Frozen Funds', 'Subscription Frozen Funds', 'Insurance Bonus', and 'Subscription Bonus'.

After you have selected a trader at the insurance signal section, you have two options, Insurance Subscription or Standard Subscription

Insurance Subscription

The image shows a mobile application interface for Signal506. At the top, it displays "My Signal506" with ID 10047 and a "Public" status. To the right, there are tabs for "Signal Status" and "Insurance / Subscription".

Below this, a large circular timer indicates "Round 1 2025/12/26 19:24 - 2026/02/01 19:24 UTC". The timer itself is labeled "Insurance / Subscription" and shows "0 : 4 : 0 : 2 : 1 : 8 : 2 : 0" in a 24-hour format (Days:Hours:Minutes:Seconds).

Two progress bars are shown: "Guarantee 0 / 2,000" in green and "Copy Trading 0 / 10,000" in red.

A table provides detailed settings:

Signal Provider Capital	100.00
Max Drawdown	20%
Drawdown Mode	From Initial
Insurance Rate	20%
Subscription Rate	20%

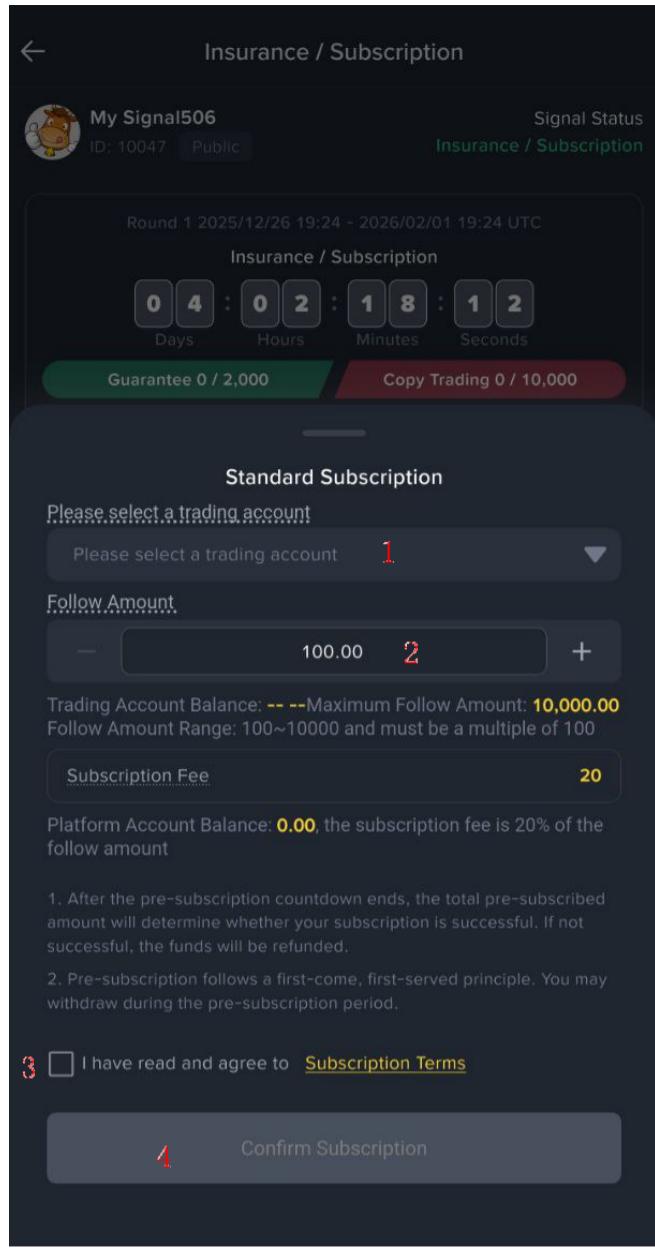

The main section is titled "Insurance Subscription". It shows "My Purchased Amount" as "0.00". Below this is a numeric input field set to "200.00", which is highlighted with a red box. A note below states "Platform Account Balance: 0.00, Maximum Purchasable Amount: 2,000.00".

Information about the purchase range: "Insurance Purchase Amount Range: 200~2000 and must be a multiple of 10".

A checkbox labeled "I have read and agree to [Insurance Purchase Notice](#)" is present, with its box also highlighted in red. A large red box highlights the "Confirm Purchase" button at the bottom.

Enter the amount you wish to follow, check the box, then confirm your subscription
You can cancel your subscription anytime after subscribing to a signal before its countdown.
For more information about how the Insurance Subscription works, [click here](#).

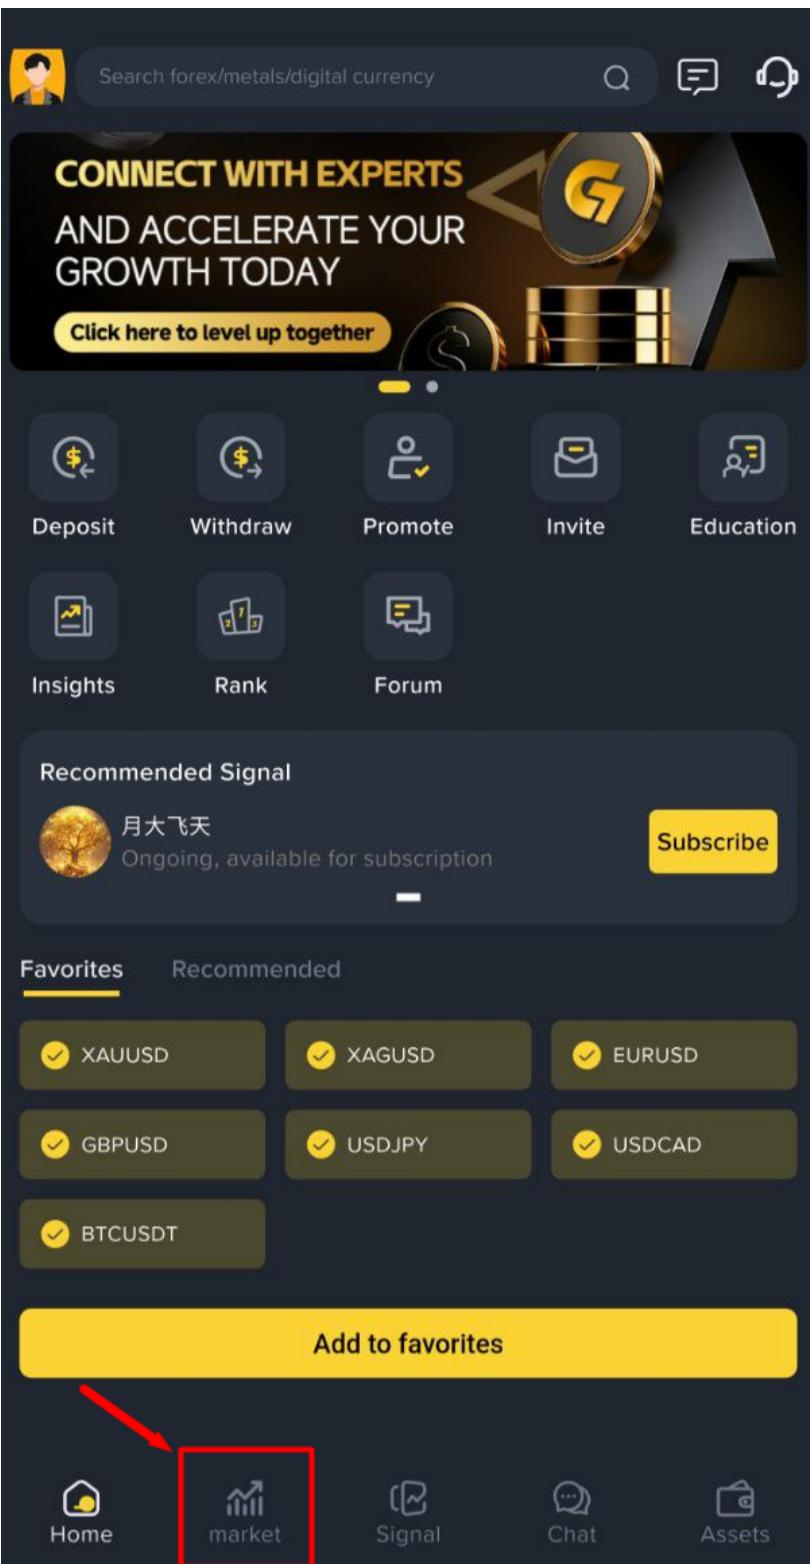

Standard Subscription

1. Select Your MT5 Account
2. Choose the amount of funds your wish to subscribe
3. Check the box
4. Confirm your Subscription. This can be canceled anytime before its countdown.

2. Manual Trade

You can also initiate trades through the Genesis APP after linking your MT5 account

Profit is allocated first to followers or insurers; Insurer

2. Remaining Profit Allocation Ratio: Insurer (15) %, Follower (30) %, Signal Provider (20) %

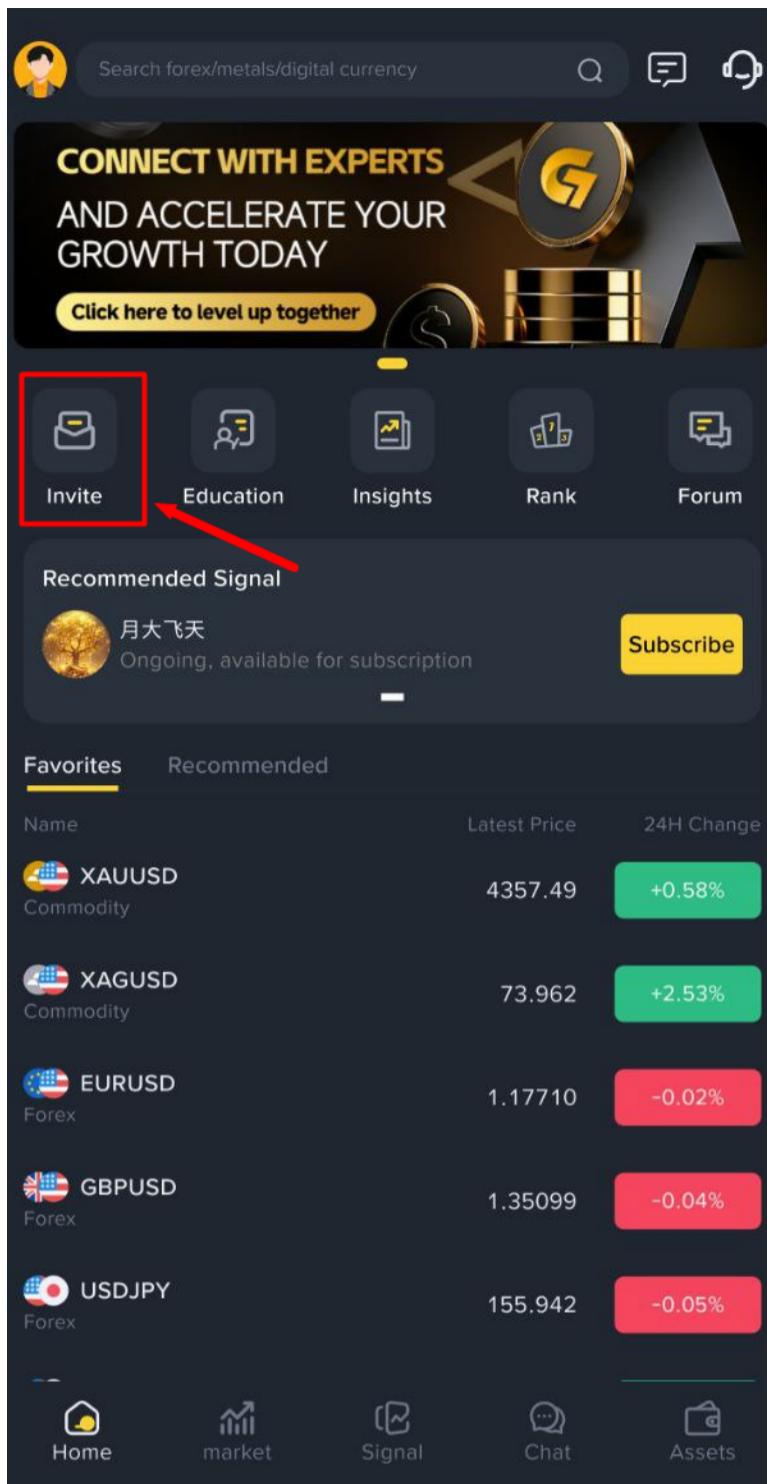

I have read and agree to [Signal Notice](#) (16)

Submit (17)

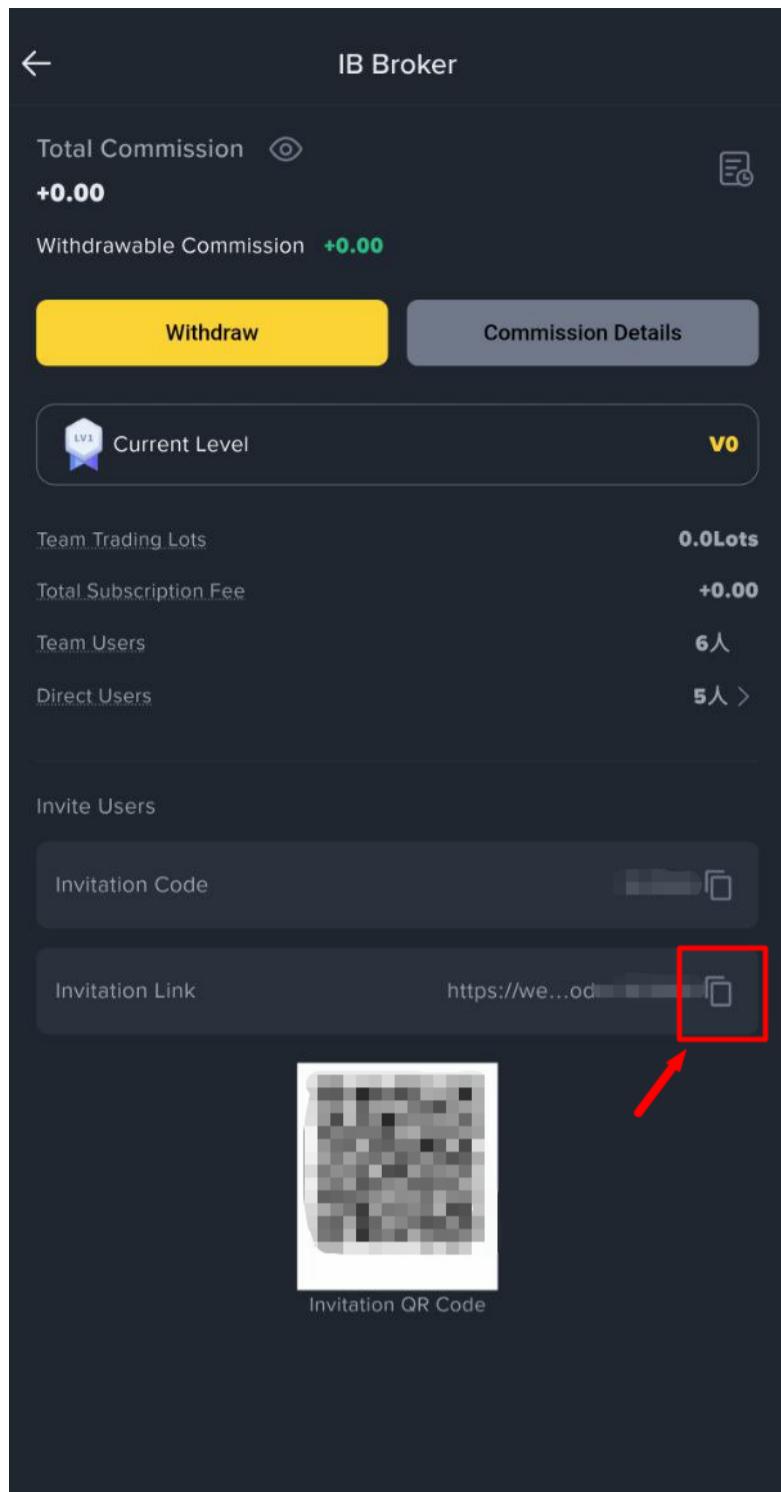

1. Select Insurance Signal
2. Select your MT5 Trading account
3. There are three profit sharing modes, Insurer Priority, Follower Priority, and Standard Profit Sharing, the explanations will be shown when you select this option
4. **Total Copy Trading Amount:** The total capital allocated for copy trading.

- 5. Copy Trading Period:** The duration for which the signal is active (e.g., 30 days).
- 6.** The maximum drawdown on the total initial capital that is set.
- 7.** Drawdown modes dictate how the drawdown is calculated, pressing the header will give you the explanations.
- 8.** Insurance rate dictates the % of loss that will cover any losses borne by followers
- 9.** The subscription rate is the % of capital that is locked on top of the initial capital, this is used for profit sharing purposes.
For more info on how the subscription rate on Genesis works, [click here](#)
- 10.** Minimum insurance amount: Minimum funds required to participate in the insurance signal
- 11.** Maximum Insurance amount: Is the maximum funds required to participate in the insurance signal
- 12.** Minimum Copy Amount: The maximum copy amount for a single user
- 13.** Maximum Copy Amount: The minimum copy amount for a single user
- 14.** This is the % of priority profit allocation on the capital invested, after the total profit has been paid out according to the priority profit based on the settings, then the remaining profit will be split according to the ratio set below
- 15.** Profit Allocation Settings: Determine the split of profits between the Follower, Insurer and the Signal Provider (e.g., 70% to Follower, 30% to Provider).
- 16.** Check the box to continue
- 17.** Once the details are confirmed, submit your application to create a signal. Once the platform has approved your signal application, your signal will be available for users to follow.

8. Inviting Other Users

On the Homepage, Press Invite

Here, you can see your total commissions, and you can press the copy button next to the invitation link to send to your friends. After they press the link, they will be brought to the registration and download page.

9. Making A Withdrawal

The screenshot shows a mobile application for managing financial assets and signals. At the top, there's a search bar with placeholder text "Search forex/metals/digital currency" and icons for search, message, and profile. Below the search bar is a promotional banner for "CONNECT WITH EXPERTS AND ACCELERATE YOUR GROWTH TODAY" featuring a large gold coin icon. A button below the banner says "Click here to level up together".

Below the banner are five navigation icons: "Invite" (envelope), "Education" (globe with chart), "Insights" (chart with arrow), "Rank" (trophy), and "Forum" (chat bubble).

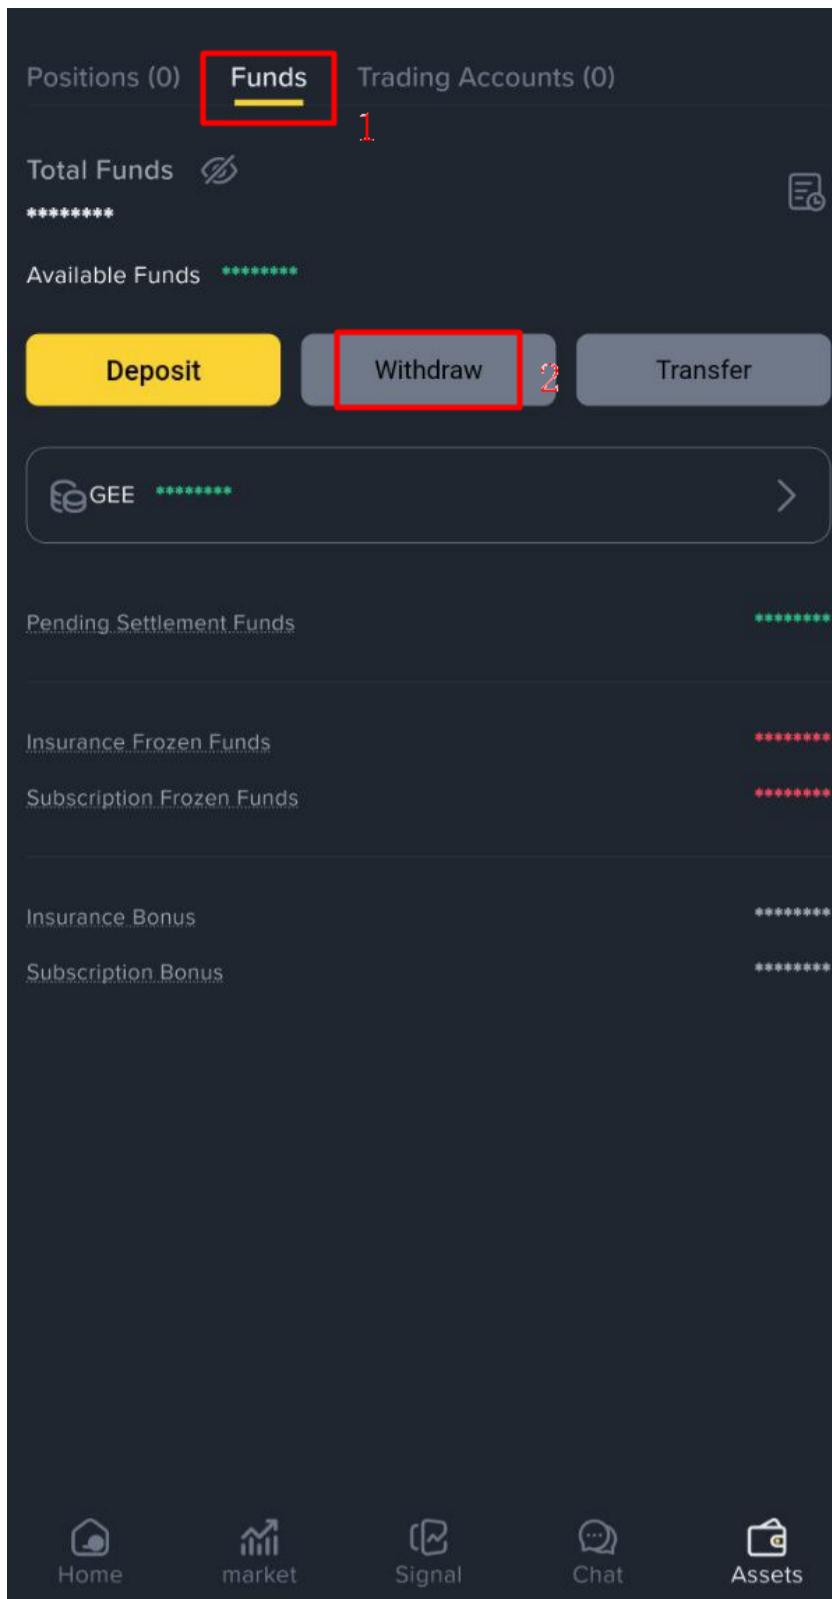

The main content area starts with a "Recommended Signal" section. It features a circular icon with a tree and the text "月大飞天" (Moon Big Fly) followed by "Ongoing, available for subscription". A yellow "Subscribe" button is next to it.

Below this are two tabs: "Favorites" (underlined in yellow) and "Recommended". The "Favorites" tab displays a list of assets:

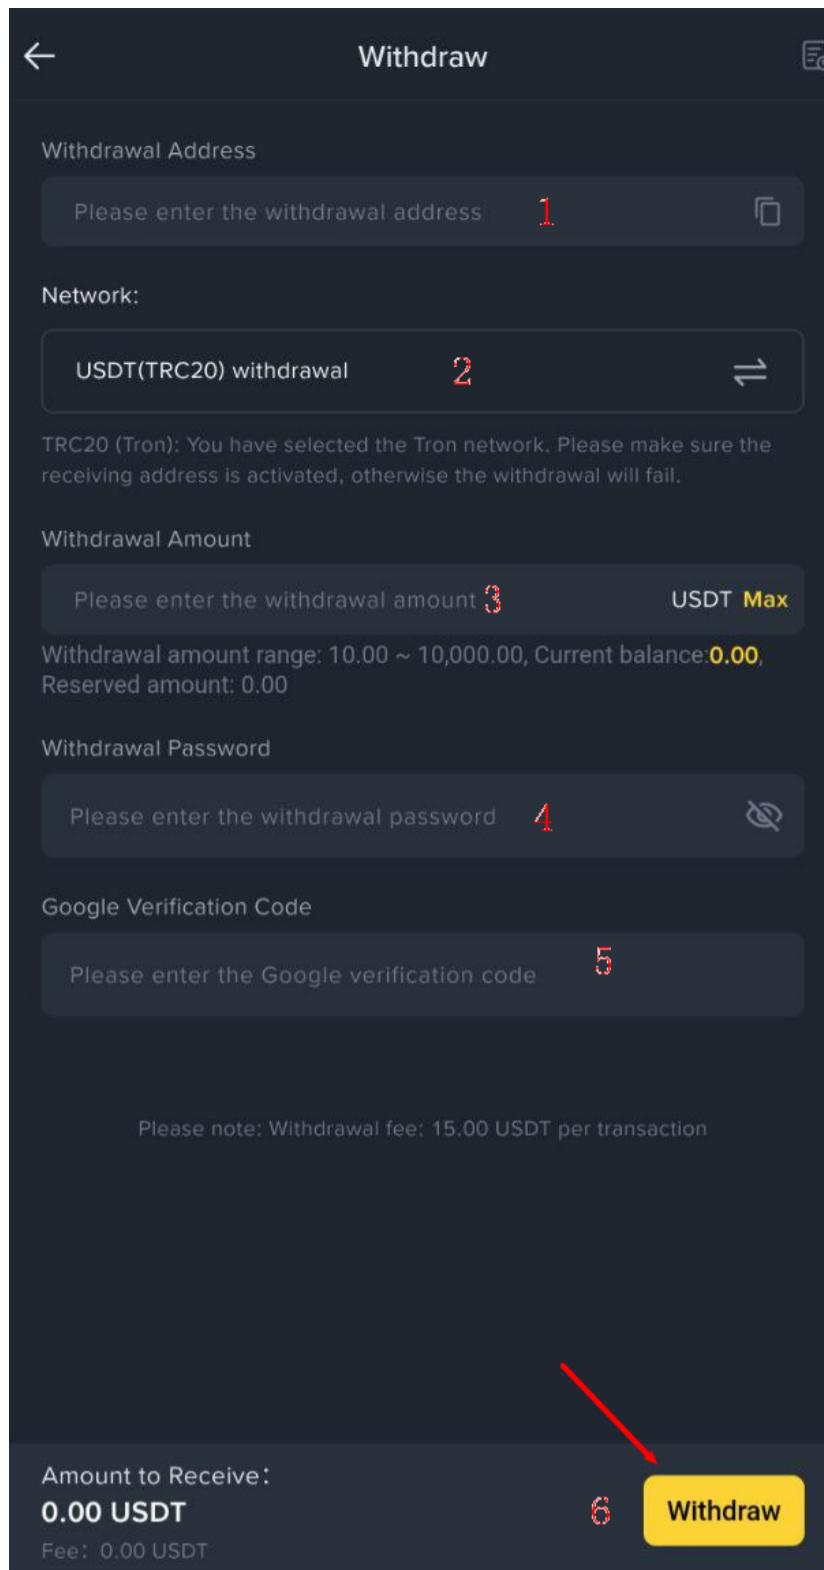

Name	Latest Price	24H Change
XAUUSD Commodity	4357.49	+0.58%
XAGUSD Commodity	73.962	+2.53%
EURUSD Forex	1.17710	-0.02%
GBPUSD Forex	1.35099	-0.04%
USDJPY Forex	155.942	-0.05%

A red arrow points from the text "Press Assets" to the "Assets" icon in the bottom navigation bar. The bottom navigation bar also includes "Home", "market", "Signal", "Chat", and "Assets".

Press Assets

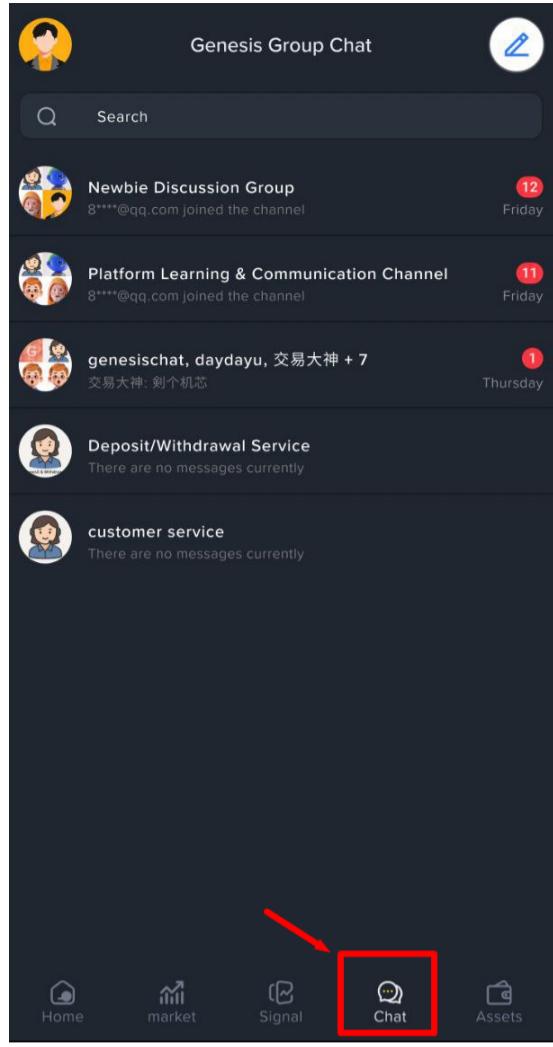

1. Select Funds
2. Press Withdraw

1. Enter the TRC-20 or BEP-20 (BSC) wallet address that you wish to withdraw to
2. Select the chain of your wallet address TRC-20 or BEP-20 (BSC)
3. Enter your desired withdrawal amount
4. Enter your withdrawal password that you have set
5. Enter your Google Authenticator code from your Google Authenticator app
6. Select Withdraw to continue. You will see the reflected amount in your wallet after a successful withdrawal

10. Accessing the Community Chat

This page displays all the chat groups and customer service channels a user is part of.

1. **Search Bar:** Search for specific chat groups or messages.
2. **Group Chats:** A list of joined chat groups like "Newbie Discussion Group" and "Platform Learning...". Red notifications indicate unread messages.
3. **Direct Messages:** Private chats with other users will also be displayed here.
4. **Service Channels:** Dedicated channels for "Deposit/Withdrawal Service" and "customer service".
5. **Compose/Edit:** The pencil icon in the top right allows you to start a new chat or manage existing ones.
